Stiffler McGraw Hosts Food Drive for Local Charity

Indiana, PA – Stiffler McGraw’s Indiana office announced last week they will be hosting a food drive during the month of May. The food drive is to benefit the Indiana County Community Action Program’s food bank and program.

Stiffler McGraw will be collecting canned goods and non-perishable food items from April 23rd until May 23rd from 8 to 4 PM at their Indiana office located at, Suite 001, Old Borough Hall, 39 N. Seventh Street.

In addition to the items collected, Stiffler McGraw will be matching their employee’s monetary donations to go shopping for additional items to boost the amount given to the ICCAP food bank.

The end of May was selected due to children being out of school and donations tend to slow down during the summer months. Stiffler McGraw wanted to choose a date that would be a greater benefit for those in need of these resources.

“We are very passionate about giving back to our communities and we are always looking for different ways to get involve. It’s an honor to be able to help support and contribute to the 6,000 income eligible individuals the Indiana County Community Action food bank serves,” says President, Tim Cooper.

The collected items will be delivered on Friday, May 25th.

About Stiffler McGraw

Stiffler McGraw is a full service consulting firm offering complete civil engineering, surveying and architectural design services. The firm designs innovative concepts for water, sewer, bridges, roads, buildings, building sites and any other type of infrastructure project. In addition, Stiffler McGraw offers planning, funding and construction management services. With their state of the art equipment and eye for intricate detail, Stiffler McGraw can ensure that each project is completed to the highest of standards.
