

Boroughs Feeding Borough Families

COMMUNITY FOOD DRIVE

Help feed the hungry in your community.

In keeping with the theme of *Service with Integrity*, PSAB President Chuck Mummert has announced that the *Boroughs Feeding Borough Families* Community Food Drive will take place at the PSAB Annual Conference. Attendees are encouraged to bring items to donate to help provide critical support to our neighbors. Items will be donated to the Community Cupboard of Elizabethtown, which services more than 150 families in the Elizabethtown, Rheems, and Bainbridge communities. For non-residents, the organization refers residents to partner organizations near their homes.

Don't let this stop here! Throughout the rest of the year, you are encouraged to host an event in your borough to help even more neighbors in need. See if your borough can match the donation made at the conference!

Top Five Items Most In Need
