

# Find Your Voice in the Resolutions Process.

---

At the Pennsylvania State Association of Boroughs' (PSAB) Annual Conference each year, delegates vote on resolutions that will help to shape the legislative agenda.

Thanks to your past efforts, PSAB has helped to enact a modernized Borough Code, achieved success with prevailing wage rates on road and construction projects, and sought relief for unfunded mandates.

***And now, it's up to you to impact change in your borough.***

Government regulations have a significant impact on your borough. That's why it's critical to be involved in the legislative process.

Your borough or County Boroughs Association (CBA) can submit resolutions to PSAB to be debated and voted on during the Annual Conference being held June 9 - 12, 2019 in Hershey. Resolutions should call for change and can indicate support for or opposition to a specific idea or legislative measure.
