

TRAIN-THE-TRAINER PROGRAM FOR 2018

PMPEI's 2018 Train-the-Trainer Program will be for the *Course in Zoning Administration*.

If you would like to share your knowledge and experience with local officials consider becoming an Instructor in PMPEI's Planning and Zoning Course Program. Train-the-Trainer prepares new instructors to teach PMPEI's courses consistently throughout the Commonwealth. Trainees get in-depth knowledge of the course content, and learn principles of adult education, program procedures, and practice presentation delivery.

The dates for the three-day intensive training program are Friday and Saturday, May 18 and 19, and Saturday, June 2, 2018, at the Centre Region Council of Governments building in State College, PA. The registration fee is \$150 and covers instruction, materials, all breaks, lunches, and a Friday night meal.

PMPEI instructors receive compensation for teaching, travel, plus meal and incidental expenses. Teaching assignments are made so instructors will be teaching at locations convenient to where they live.

Citizen and professional planners, and allied professionals, with a minimum of five years' experience in planning and zoning in Pennsylvania are eligible to become PMPEI Certified Instructors. If you are committed to planning education and would like to become an instructor contact Stan Lembeck, AICP, (814) 237-2382, or email slembeck34@gmail.com for an application, or more information about PMPEI and the training program.

Certification Maintenance (CM) credit can be requested for AICP members attending the training.
