2022 Newly Elected Municipal Officials (NEMO) Boot Camp

EXCLUSIVE SPONSORSHIP OPPORTUNITIES

Join us in supporting educational opportunities for our local officials!
The Newly Elected Municipal Officials (NEMO) training is a two-day, classroom-style workshop that provides a knowledge base for officials in a broad range of areas, from the structure of local government and the roles of local government officials to responsibilities such as planning, zoning, taxation, and public finance. This training is targeted for newly elected officials, but is an excellent refresher for existing officials. Take advantage of this unique opportunity to brand your company with local officials! In 2020, more than 500 officials participated in these classes!
