

Does your municipality need a public employee labor attorney?

The Employment Alliance of Municipalities (TEAM) Program can help. TEAM is designed for municipalities that are in need of experienced legal counsel for labor and employment questions/issues.

The TEAM Program has a professional legal team* to assist you in disputes, regulations, and interpreting laws pertaining to local government employee/employer labor and employment relations.

Regardless of the size of your municipality, TEAM members will gain a significant degree of leverage in their labor negotiations and arbitrations.

**The law firm, Eckert Seamans Cherin & Mellott, LLC, provides the legal consultation and support to the members of the TEAM Program.*
