BE IT ENACTED AND ORDAINED BY THE BOROUGH, and it is hereby enacted and ordained by authority of the same:

SECTION 1. Snow Emergencies. In order to facilitate the movement of traffic and to combat the hazards of snow and ice on the streets and roads of this Borough, the Mayor, in his or her discretion, may declare a snow or ice emergency (hereinafter referred to as a “snow emergency”). Information on the existence of a snow emergency shall be given by the Borough through radio, newspaper, or other available media, and information regarding the termination of the emergency shall be given by the use of the same media.

- A. After any snow emergency is declared, it shall be unlawful, at any time during the continuance of the emergency, for any person

 3. The following are designated as snow emergency routes:
 - a. Main Street (entire length through Borough)
 - b. Market Street (entire length through Borough)

Continuation of such violation for each successive day shall constitute a separate offense, and the person or persons allowing or permitting the continuation of a violation may be punished as provided above for each separate offense.

SECTION 2. Parking during snow storm and snow removal on streets not designated as snow emergency routes, or on all Borough streets during snow storms in which a snow emergency has not been declared. During any snow storm (defined as any weather condition in which any accumulation of snow or sleet greater than two

inches (2") has fallen or is predicted to fall, or in which there has been or is predicted any accumulation of ice) parking shall be regulated on all Borough streets as follows:

- A. During the course of any snow storm, parking shall be prohibited on the uneven numbered side of all Borough streets (i.e., house numbers are uneven numbers) until such time as plowing, salting, and/or cindering is completed on said side of the street.
- B. After 8:00 a.m. on the day following any snow storm, and until after plowing, salting, and/or cindering is completed, parking shall be prohibited on the even numbered side of all Borough streets (i.e., house numbers are even numbers) until such time as plowing, salting, and/or cindering is completed on said side of the street.
- C. At all times during and after any snow storm, it shall be prohibited for any person to shovel, push, throw, or plow snow from a sidewalk, driveway, lot, or any other area into the street.
- D. Borough police are hereby authorized to have any vehicle parked in violation of this Section towed away at the expense of the owner of said vehicle.
- E. There is, upon conviction, hereby imposed a fine not to exceed three hundred dollars (\$300.00) for any violation of the provisions of this Section. The continuation of such violation for each successive day shall constitute a separate offense, and the person or persons allowing or permitting the continuation of a violation may be punished as provided above for each separate offense.

SECTION 3. Any ordinance or part of any ordinance that is in conflict with this Ordinance is hereby repealed. All ordinances not inconsistent with this Ordinance shall be and remain in full force and effect.

If at any time during a period of snow emergency declared under this Section a person shall park a motor vehicle or allow a motor vehicle to remain parked anywhere along a snow emergency route, the person shall be guilty of a violation of this section, and upon conviction, shall be fined as set forth in Section G below.

- B. If, at any time during a period of snow emergency declared under this Section, a person shall drive a motor vehicle upon a snow emergency route, without having that vehicle equipped with snow tires or chains plus adequate equipment to provide sufficient traction to keep such vehicle in motion so that other traffic on such roadways will not be blocked or impeded, that person shall be guilty of a violation of this

Section, and, upon conviction, shall be fined as set forth in Subsection G hereinbelow.

- C. Any person who operates a motor vehicle upon any road or street or portion thereof listed in Subsection A, above, which vehicle shall become stalled upon any of the roads, streets or portions thereof listed above during a period of emergency declared as provided by this Section, if such stalling shall have been by reason of failure to have such vehicle equipped with the equipment prescribed in subsection C above, shall be guilty of a violation of this Section, and, upon conviction, shall be fined as set forth in Subsection G hereinbelow, and assessed costs for removal of said vehicle from the road or street.
- D. The Borough Police are hereby authorized to have any cars parked in violation of this Section towed away at the expense of the owner.
- E. In order to assist operators of motor vehicles in determining the highways affected by this Section, there shall be placed, on signs on the roads and streets designated in Subsection A, above, signs reading as follows:

SNOW TIRES OR CHAINS REQUIRED
NO PARKING DURING EMERGENCY
VEHICLES TOWED AWAY

SECTION 4. If any provision of this Ordinance or application thereof to any person or circumstances is held invalid, such invalidity shall not affect the provisions of the Ordinance which can be given effect without the invalid provision or application, and, to this end, the provisions of this Ordinance are hereby declared to be severable.

SECTION 5. This Ordinance shall take effect on the earliest day and date after enactment permitted by law.
